

appeal of<sup>72</sup> God.

The code of Moses is the Bible Code found in the Torah. The key is to accept Jesus Christ today, you can go at any time. The end was set to happen 2012, the time machine is delayed<sup>73</sup> for 2012. After 2012 will come climate changes<sup>74</sup>, disasters, economic<sup>75</sup> crisis, stocks worthlessness, depression and earthquake<sup>76</sup> and plagues of revelation. The end is 2100 - 2113.

God invites the Ishmaelites<sup>77a</sup> who are also Abraham's descendants. Arabs are descendants of Abraham; Ishmaelites<sup>77b</sup> please do not pass over and build defensive<sup>77c</sup> wall against Jesus Christ; no need to enter hamas<sup>77d</sup> with Jesus Christ. You made an honest mistake<sup>77e</sup>, your culture that you were born into, Muslim, is in error<sup>77f</sup>; Jesus is our brother, he is the son of God; we are also sons of God upon this earth; (*John 17:5, 26; 16:28; 20:17, 15:15, 11; 14:6*); Jesus Christ is more than just a prophet, He is the Messiah, Savior of the Hebrew and of the world. Please accept Judaism and Jesus Christ; and no harm<sup>77g</sup> will come unto you. This is the solution. Make peace with Judaism and Jesus Christ or be alienated.

Peace<sup>78a</sup> or Annihilation.

The Bible Code is 100%. There is no probability. Probabilities come when one is wrestling with things they do not really understand. The Ancient Black Pillars have the answers. They are the "Obelisk". They hold the key that lives inside of their bodies, they originally were brought down from heaven in a spaceship; were given the language of heaven in the Garden of Eden, the ancient Hebrew language, the first language of mankind. We are the revealers of the encoded; the revealers of the hidden secrets<sup>80</sup>. The book of Daniel, the sealed book of Daniel is open in a written text without a computer in the year 2011 in the copy of this book "My Skin Hurts!" for you the encoded<sup>80</sup>, for you the hidden secrets, this publication is compared to a Los Angeles, California earthquake<sup>79</sup> 2011. A spiritual protein meal that even the country of Japan will experience this spiritual awakening, same as an earthquake. (*See topic 99*)

Thank you Mr. Eli Rips and Mr. Michael<sup>78b</sup> Drosnin for introducing to the whole world the Bible Code<sup>78c</sup>, without you

this book would not have a reference page for Israelites and Ishmaelites to respond to. God knows what He is doing.

The Bible Code exists primarily to introduce a higher level of understanding of the world of God found in the Holy Bible; it's time, the world be introduced to solid meat. It unlocks the hidden mysteries, the hidden secrets contained in the Holy Bible for the main purpose that in the end<sup>81</sup> of time it will save lives!

The nation of Israel is targeted for a premature holocaust brought on by earthly men, but the remnant of the black ancient pillars of Judaism will follow up to delay and to prevent this premature holocaust of the nation of Israel to be cancelled.

If Israel were to be attacked, this would spark off like a wild fire, a chain reaction of wars around the whole world. The Black pillars can measure the distances between good and evil and they know the time has not yet come for the atomic weapons, the Asad holocaust of Israel.

The black pillars of Judaism have no choice; we have to speak out against any attack against Zionist Israel. We are the children of Jacob and we have opened the Bible's prophecies of Daniel and the Revelation and thanks to Mr. Michael Drosnin we finally got a chance to get<sup>79b</sup> a review of the Bible code and must act immediately to challenge Godly men who also open and study the scrolls<sup>82</sup> to kindly give an ear to us, for we must prevail and make the Ishmaelites pay attention and to review the explanation of the Bible Code before making any further future plans to attack Israel, for it is predicted that the Code will save<sup>89</sup> a III world war before it happens.

A certain group of people amongst the Ishmaelites believe the world will soon end for everyone and before it ends they are planning to finally give an all out jump for Jerusalem. They are planning a massive attack against the nation of Israel in Jerusalem.

You are wrong, the world won't end on your date. The prophecies of Daniel and the Bible Code stated in no uncertain terms that the final<sup>83</sup> end will come in the 21st century in a year between 2100 and 2113.

Children of Ishmael, please we too with you were

robbed of the inheritance of our father Abraham? (*Genesis 21:10; Galatians 4:30*); both of us became a Multitude, and are cousins; both of us rob of our inheritance by the Jewish Zionist of Israel, so why can't we be friends? and co-exist in peaceful harmony to the honour and glory of our heavenly Father "Allah" and known to us as "Jehovah" who is the Father of mankind; for we all are sons of God and messengers of our Father in the same manner Jesus Christ was son of God, we also are sons of God (*John 20:17*) the inheritance of a new Jerusalem will be ours; our heavenly Father will destroy Zionist Israel in person 2113; so let us live to preserve ourselves and families and be ready to escape the furnace and atomic holocaust that will come from above. Let us be brothers for we are both children of Eden and let us finish God's work that only us He has entrusted to finish; sharing his message of truths and salvation of a new Jerusalem. (*Genesis 21:12-13, 18-21; Galatians 4:29; 5:12-15*)

We are Isaac's son Jacob's children, called the black Israelites; your Israelites cousins, the black pillars and as friends we want to advice you, please don't attack Jerusalem; call off the Annexed; don't start a world war, don't begin<sup>87</sup> to shed endless blood, terror and death. Remember, Ramallah fulfilled the prophecy. The Bible Code says the end will be 2113, don't forget the confirmation of the end<sup>84</sup> of time, it won't happen on your date. In the Bible Code, 2012 actually means in the century 2100.

Consider and reason with the message of the Bible Code for you the encoded, for you<sup>85</sup> the hidden secrets. The Bible Code states that you won't be the ones that will be responsible for the annihilation of Israel; the objects responsible for the Holocaust of Israel will come from above in the sky; flying horses that represent spaceships; these will incinerate Jerusalem with all evil-doers in the year between 2100 and 2113.

We both are the outcasts of Israel. The black Israelites went into captivity, tribulation and extreme poverty because we did not listen and because of not listening, we have bore our shame that our trespasses brought us to shame. We now understand what it means not to bow down to serve the gods

of our enemies and not to fall in love with the religions of our enemies. We have forsaken the role to be the soldiers of God and went chasing after Cain's prosperity and betterment, and in doing so, we sacrificed our relationship with Jehovah God. We are no longer afraid, for we have confessed our sins. (*Ezekiel 39:25-29; 1 Corinthians. 8:9; 9:19; Matthew 7:12; 22:39; 1 Peter 2:16; James 2:8*)

We know for certain that many of the children of Ishmael are thinking evil thoughts to the descend upon Jerusalem like a storm and slay the preys and take the spoils. (*Ezekiel 38:9-13*)

We advise you to change your plans. "Will you<sup>85</sup> change it?" Will you delay the premature holocaust<sup>86</sup> of Israel? The Code will save in the annexed in Arafat; you do not<sup>86</sup> have to stain your hands. You don't need to open up a tunnel of violence because Jerusalem is set to be destroyed from above by the Almighty Jehovah God; spaceships will be your enemies that ride above in the clouds, they are your enemies for you to prepare for. (*Ezekiel 38:5-7*)

Jerusalem is the least of the problems. Your enemy comes from above riding the clouds in spaceships like flying white horses (*Ezekiel 38:4, 15-23; Nahum 2:3-5; Isaiah 66:15-24*).

Let us make peace with our fellow men, let's review the scrolls starting in the beginning, same as backwards and we will understand that the time first appointed for the destruction<sup>88</sup> of Jerusalem has been delayed and changed backwards. It was set for 2012 but this time has been changed backwards in reverse and the new date is 2100-2113.

Our black Messiah will once again return a second time with His spaceship; a great horde of spaceships to incinerate Jerusalem<sup>90</sup>, government and all evil-doers. 80% of Israelis will be destroyed in a massive air strike from spaceships shooting atomic missiles<sup>91</sup>. Israel won't have a chance, God's judgment is like Bin Laden's. Evil will be done unto you. Will you change? 20% of the Jewish Israelis will be saved from the furnaces, they will be caught up inside the spaceships same as flying time machine.

You have a choice. Make peace with Judaism and with Jesus Christ and no evil will be done to you. You will escape

the furnaces, you won't be incinerated. This is the solution, make peace or be annihilated from above.

God's judgment is His mercy.

You fulfill your own destiny.

May God help us all. Peace be unto you. (*Isaiah 29:1; Daniel 9:12; Ezekiel 38:4, 15, 16; 39:4-6, 17-20; Revelation 16:16; 19:11, 14-21; Job 1:7; Luke 10:18; Nahum 2:4; Isaiah 14:12, 16; Genesis 28:12; John 1:50-51*) (See topics 44 and 93)

#### **42A. WHO IS JESUS CHRIST?**

God, is the Father of mankind who has no beginning and no end, is the great "I am Jehovah God;" who hover's in sceeping movement, inside His spaceship in space called throne. (*Jeremiah 4:23; Genesis 1:2; Isaiah 45: 18-19, 17; Daniel 7:9-10; 1 Kings 22:19*) His son, His Words lived with Him from the beginning. (*John 17:5*) His son was naturally a God (*Daniel 7:13*), his Father is God. We call his Father "God the Father" and we call his son "God the Son." God the Father also called his son "The Word," who lived with Him from the beginning. (*John 1:1-3*) God the Father spoke what he wanted and His son the Word created together with His Father the universe, (*Psalms 33:6*) worlds, many heavens including Planet earth of which also they created man. (*Genesis 1:26*) Everything they created was good. Everything created had it's own living spirit who answered to God, even the rocks, wind, water and fire. (*Numbers 20:8; Exodus 14:21; Genesis 1:24*)

Every good thing that happens to any person comes from the Father of love. Love is the living spirit that comes out of God and because this spirit is actually a part of God, we realized it is God. We called it "God the Holy Spirit AKA Love." (*Genesis 1:2*) Three Books that bear records in Heaven; the Father (Old Testament), the Word (New Testament) and the Holy Spirit (My Skin Hurts) and these three are one and same Bible, (*1 John 5:7*) one God and Father of all, (*Ephesians 4:5-6*) who lives above all, throughout all the universe and also lives within us all. We followers of Judaism for Jesus Christ accept these three Books of Gods as one, same aim, same purpose; united in every way they are no longer three but only one. This is our one faith that we're baptized into, this one
